4/8/08

Section 7.A.2. If a pilot needs lodging and transportation at other than the scheduled layover, the pilot shall procure reasonable lodging and transportation for the circumstances after first attempting to contact crew tracking and the hotel desk. The pilot should make an effort to arrange accommodation at the normal crew layover hotel(s), if applicable. The Company shall reimburse the pilot for all reasonable expenses.

Section 7.C.1.a.(1). planned transportation is not available after a reasonable time, or
