AA Section 23 Proposal
System Board of Adjustment

January 23, 2008

- Modify Section 23.A to provide for a five Member Board as the normal practice, and allowing a four Member Board as the exception if the parties agree.

- With the exception of expedited arbitration, grievances submitted to the System Board of Adjustment will be scheduled in chronological order based on when grievance was filed.

- The Company and the Association shall provide a System Board Coordinator on an annual rotating basis.
