Contract Reference(s): Supplement H (2)		

The Company proposes to modify Supplement H (2) as follows:

A. Definition and Application of CRAF Flying

1. When the United States Government activates CRAF (Stage 1,2, 3 or 4), that flying shall include all flights flown at the direction of, or on behalf of, the U.S. Government, plus all necessary ferry flights and all deadheading related to such flying.

In addition, the parties agree to update Supplement H (2) with the current language referencing Stages 1, 2, 3 and 4.
