

ARTICLE 33 - NO STRIKE - NO LOCKOUT

It is the intent of the parties to this Agreement that the procedures in this Agreement will serve as a means of amicable settlement of all disputes that may arise between them, and, therefore:

(a) The Company will neither cause nor permit a lockout during the life of this Agreement, and

(b) Neither the Union nor the employees will engage in a strike, sit-down, walkout, stoppage, slowdown, or curtailment of work for any reason during the life of this Agreement.
