Dear Lloyd:

During the negotiations which led to the Agreement dated MM/DD/YYYY, the parties discussed Section 17.O. (the Requirement to Qualify in Turn and Deferral program).

It is agreed that the following changes to Section 17.O will be in effect until the effective date of the next Agreement following the Agreement dated MM/DD/YYYY.

1. With respect to paragraph 17.O.1, the requirement for a pilot to qualify in turn for the next higher pilot category at their base is suspended.
2. With respect to paragraph 17.O.2, no pilot is considered to be in a deferral period while this Letter is in effect.

The effect of 1 and 2 above is to make the earliest upgrade requirement no earlier than thirty (30) months from the effective date of the next Agreement following the Agreement dated MM/DD/YYYY.

Sincerely,

Dennis A. Newgren
Director, Employee Relations, Flight
